OLD MILL IN SANTANYÍ

REF: 1269

This ancient mill from the 15th century is situated on the outskirts of Santanyi and has been renovated with great attention to detail. The 250 m² of living space spread over four bedrooms, three bathrooms, the library and tower room with views over the surrounding fields and Santanyi. Glazed skylights make the rooms of this object shine brightly. The pool blends into the beautiful mature garden.
